All information contained herein reflects the Registration Records of the ATSA as of

Tuesday, November 29, 2016

The Teeswater sheep, herein detailed, have been accepted for registry in the American Teeswater Sheep Association Flock Book. Information is recorded and reproduced herein in reliance on the truth of statements submitted on the application for registry and transfer, but in no event deemed a guarantee by the Association of breeding or ownership of the animal. If animal records have been admitted or transferred through error, misrepresentation or fraud such entries are void, together with entries or transfers that may have been made of progeny of such an animal, and the American Teeswater Sheep Association assumes no liability for damages arising for such entry or transfer. The American Teeswater Sheep Association is a non-profit association formed to preserve and promote the Teeswater Sheep
