

**ATSA TRANSFER OF OWNERSHIP FORM**

To transfer ownership of an ATSA registered sheep, the owner of record must complete the following information for each animal. You must also fill out the transfer section on the back of your original Certificate of Registry and send it along with this completed form. The new owner will receive a new Certificate of Registry in the mail after processing. Each application for transfer will be verified prior to processing to validate accuracy of each animals pedigree and conformity with breed guidelines. You will find information on the registration guidelines on the ATSA website at [www.AmericanTeeswaterSheep.com](http://www.AmericanTeeswaterSheep.com)
